The contents of this site are protected by copyright under international conventions. Users are permitted to read the content, print extracts and make copies for their own personal use.

However, reproduction of part or all of the contents in any form is prohibited unless free of charge and for personal use. None of the content of this web page may be copied or otherwise incorporated into or stored in any other website, electronic retrieval system, publication or other work in any form (whether hard copy, electronic or other).

The website www.tbte.ca is operated by TBT Engineering Limited. Any enquiries should be directed to jhalvorsen@tbte.ca

TBT Engineering Limited has made reasonable efforts to ensure that the information provided on this website is accurate at the time of inclusion. However there may be unintentional and occasional errors for which TBT Engineering Limited apologizes. TBT Engineering Limited makes no representations, warranties, or assurances of any kind as to the accuracy, currency or completeness of the information provided. TBT Engineering Limited shall not be liable for any damages or injury resulting from your access to, or inability to access, this website, or from your reliance on any information provided at this website. Please note that the documents and information available on this website are provided as a service only and are not the official versions of TBT Engineering's disclosure documents. In addition, website content may not always be the most current source for company information.

This website contains links or references to other internet sites maintained by third parties. AMEC makes no representations, warranties or assurances as to any information in such sites and has no responsibility for their content, accuracy, currency or completeness and shall not be liable for any damages or injury arising from that content, accuracy, currency or completeness.

Any communications you send to this website or otherwise to TBT Engineering Limited by electronic mail are on a non-confidential basis, and TBT Engineering Limited is under no obligation to refrain from reproducing, publishing or otherwise using them in any way or for any purpose. AMEC shall be free to use the content of any such communication, including any ideas, inventions, concepts, techniques or know-how disclosed therein, for any purpose including developing, manufacturing and/or marketing goods and services.

The sender of communications to this website or otherwise to TBT Engineering Limited shall be responsible for the content and information contained therein, including its truthfulness and accuracy. TBT Engineering Limited reserves the right to delete, modify or supplement the content of this site at any time for any reason without notification to anyone.
