

TBT Engineering Limited is Northern Ontario's largest independently owned civil engineering consulting firm. From testing through to consultation, we are down to earth consultants!
Visit our website at www.tbte.ca to learn more.

TBT Engineering Limited has immediate openings for the following positions:

Drilling Assistants

Reporting to the Drilling Supervisor, successful candidates will be involved in various tasks related to the construction of geotechnical and environmental boreholes. Their role will be to assist Drillers in obtaining, then packing and recording soil and rock samples. Other duties will include logging of boreholes, drill rig repair and maintenance, and floating of heavy equipment.

Successful candidates must be physically fit and are expected to work in a variety of weather conditions. Valid Class "G" driver's licence and good driving record are a minimum requirement, with the expectation of future attainment of Class "AZ". Preference given to candidates with previous drilling experience, who are mechanically inclined, and already have an "AZ" licence.

Drilling Supervisor

Reporting to the Drilling Manager, the successful candidate will operate drill rigs and related equipment and will be responsible for supervising drill crews and geotechnical / environmental drilling processes. Other tasks will involve rock coring, drill site preparation, equipment maintenance and job related health & safety responsibilities.

In addition to qualifications listed for Drilling Assistants above, the successful candidate will have demonstrated knowledge of borehole auguring, sample taking procedures, and borehole re-instatement procedures. Ability to provide borehole logging is a definite asset. Must be able to work as part of a team, in remote areas, and under difficult weather conditions. Knowledge of the Occupational Health & Safety Act and understand of role as a Supervisor is required. An MOE Well Technician license is also a definite asset.

Applicants can apply on-line at www.tbte.ca or can submit their cover letter and resume in confidence on or before Friday, January 20th, 2012 to:

TBT Engineering Limited
C/O Jeff Halvorsen - Assistant Business Manager
1918 Yonge Street, Thunder Bay, ON P7E 6T9
E-mail: jhalvorsen@tbte.ca

We would like to thank all applicants for their interest; however, only those selected for an interview will be contacted.
